

# Detachable Strap

ThePureBag™ Reversible Yoga Bag comes with a colorful and convenient detachable strap, which can be used for stretching and exercise! Just remove the strap, use it in your routine, and follow the instructions below to re-attach it to your bag.

**Let's get started!**  
Have the strap and slip loop in hand.

**STEP 1**  
Slip loop onto strap on the end with the grommet (*finished sides facing up*).

**STEP 2**  
Thread strap end with the grommet through both D-rings.

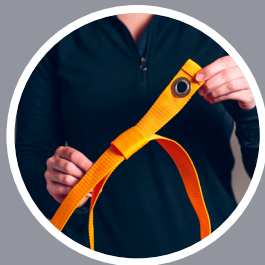

**STEP 3**  
Pull the strap through.

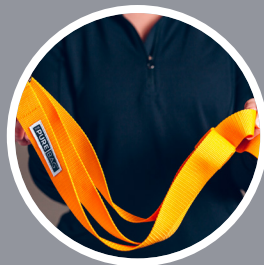

#### STEP 4

Loop the strap end back through the top D-ring and pull through.

#### STEP 5

Insert the strap end through the loop and pull through.

#### STEP 6

Adjust the length as needed.

#### STEP 7

Clip bottom D-ring and grommet ends each to a carabiner.  
**Ready to travel!**
